From the Grand Knight's Desk

Worthy Brother Knights,

It's March, a month of dramatic change. The weather goes from wild to mild. I'm sure we haven't seen the last of the bitter cold, and we'll most assuredly get dumped on with snow once or twice more. Those of us with a few sets of Christmas lights still frozen onto bushes will be glad to finally get them stashed away until next fall. Just as God delivered the rainbow after the flood as a sign of His covenant with the world, and resurrected His son as His gift to mankind, we will experience a rebirth in the natural world beginning in the month of March, and continue throughout spring.

We're now in the heart of Lent, and our preparations for Easter continue. The Knights are deeply involved in numerous activities throughout Lent, of both secular and sacred nature. These events include our fish fries, prayer services, the Shamrock Shave, our Breakfast with the Easter Bunny, Paintball, and more. While these events are transpiring, many of our other committees are already busy planning the events for the upcoming months, including Knights at the Races, the IL State Kamporee, Founders Days, the Hammer Open, blood drives, and more. We're also routinely discussing special one-time projects, which can be very impactful and quite rewarding. There is no shortage of opportunities for Knights to get involved.

Stepping up for just one event a year can make a big difference. Please contact a chairman, director, or officer if you wish to help with a specific program, or if you are willing to help where the need is greatest. Don't assume things will get done as they always do. We need more men than ever to maintain our slate of programs. We need to replenish talent that is lost. We need fresh ideas and new sources of energy.

The best way to get involved is to come to a meeting and speak with other Knights, to learn where your interests and the needs of the council intersect. Study the calendar and read the articles to learn more about our programs. Then get involved in a program, event, or committee. We are much stronger with you than without you. Most activities require no

experience or specific expertise. Our only expectation is that you are interested in helping. Take a step forward in the month of March.

Easter is a time to be humble, and thankful. When you celebrate Lent through fasting and abstaining from meat on Fridays, think about why you are doing this. Don't give up a Friday steak dinner only to exchange it with lobster instead. We are imperfect. Our imperfections often result in pain and sorrow. Our imperfections make us doubt ourselves. Our imperfections are fuel for Satan, and he wins when we let our imperfections let our hearts go dark, in anger, malice, despair, or feelings of hopelessness. Yet the Lord, in His perfection, offers all of us the promise of the afterlife -- an eternity of perfection. Do yourself a favor. Please go to Reconciliation as part of your preparations for Easter. I know it always raises my spirit.

So is it with the resurrection of the dead. What is sown is perishable; what is raised is imperishable. It is sown in dishonor; it is raised in glory. It is sown in weakness; it is raised in power. It is sown a natural body; it is raised a spiritual body. If there is a natural body, there is also a spiritual body.

1 Corinthians 15:42-44

Have a safe and happy March.

Vivat Jesus!

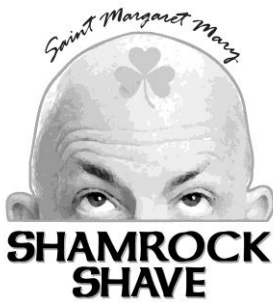

Dan Limbach, Grand Knight

Friday Knight Fish Fry's

We have two more fish fry's to go: THIS Friday March 6th and March 20th.

Save these Fridays; **March 6th and March 20th**.

To make this a success, we'll need lots of help during the day and lots of hungry customers. Prep begins at 11:00 AM and goes till the final dish is washed, dried and put away, usually till 10 PM. Dinner is served between 5 and 8:30 PM at SMM McDonnell Hall.

Consider lending a hand and spreading the word to prospect customers. Customers can start off with a Shrimp cocktail appetizer, then move on to a choice of baked or fried fish, shrimp and pasta, our renown salad bar and soups, and all the traditional sides. Then finish it off with an ice cream sundae or some homemade desserts. Also for the kids, we'll have mac & cheese and new this year, cheese pizza.

The event will be held at SMM McDonnell Hall between the hours of 5:00pm -8:30pm. Prep begins at 11:00am.

We'll be in need of volunteers to help set up, decorate, kitchen help, food line servers and of course clean up! You can also help by donating a dessert. Have any questions, comments or plan to volunteer please contact Ken Prigge at ken.prigge@coriant.com or call [630-730-2754](tel:630-730-2754)

Help with All Night Bingo

Our next All Night Bingo Breakfast will be on Saturday, April 17th at Marian Central High School. A crew is needed to serve pancakes and eggs at the evening break. We meet at McGivney Center at 9:30 to carpool over to the high school. contact Dan Kotleba at kotleba@sbcglobal.net.

Catholic Assistance Missions

At the February meeting, I requested a \$3,000 budget for Catholic Assistance Missions (CAM). As part of this request, a notice has to be published in the newsletter before the vote at a general meeting. This letter is the notice, which explains the organization and the request. I plan to make a motion for this donation at the March general meeting.

Catholic Assistance Missions is a nonprofit charitable organization. Its main purpose is to provide food education, and housing for the very poor people of Haiti. CAM is managed by a board of 12 people, mostly from parishes in the McHenry deanery. Five of those board members are from Saint Margaret Mary Parish: Mary Kay Horney, Patty Deroo, Sandy Wiener, Connie Miller, and Donald Miller. All the board members try to take annual mission trips to Haiti at their own cost. At these mission trips, we spend some time with the Missionaries of Charity in Port-au-Prince, and some time at the mountain village of Despinasse. Most of our financial resources are used at Despinasse. CAM has built a school, and is considering helping with a second building at the same site. The school has 300 students from preschool to sixth grade. CAM pays the teachers' salaries, and subsidizes the daily hot meals that the children receive. In many cases, this is the only meal that they have during the day. The annual budget for the salaries, meals, and other school expenses is about \$25,000.

In addition to school support, CAM has built several 2 room houses. These are very simple cement block structures, but they are like castles to the villagers of Despinasse. They are so thrilled to have a safe and comfortable place to live.

CAM raises its money through various fundraisers in the McHenry County parishes. In 2014, the people of Saint Margaret Mary Parish raised \$8,500 at the Ladies Fall Luncheon. CAM also received about \$2,000 in donations from the 2014 Lenten projects of St. Margaret Mary School and Religious Education children. Also in 2014, the people of Church of Holy Apostles raised about \$15,000 at their annual fundraiser dinner.

Our K of C council has been very generous in the past, for which we are very grateful. This year, I am requesting the same contribution that our council made last year, \$3,000 in 4 payments of \$750. Haiti is the poorest country in our hemisphere, and so much can be done by those who care.

Contributions of cash (checks payable to CAM) are the most efficient. Thanks & May God bless you.

4th Degree News

It is truly an honor to participate in 4th degree activities, perhaps the most visible degree of the order! Whether it be marching in a parade as part of a color guard, participating in an honor guard for the Bishop or other special Mass, or serving as an honor guard at a fallen brother's wake it is truly a humbling and honored experience.

We know that not everyone has their own regalia, recently a spreadsheet was emailed to all of the council's 4th degree members (approximately 100) that listed all of the members that have regalia. If you are looking to participate in an activity but don't have regalia, reach out to one of them to see if they would let you borrow theirs. If you don't have this list please contact Mark Halper and he will be happy to provide it for you.

4th degree meetings take place the 4th Tuesday of every month (skipping November and December) rotating locations. The next meeting will be Tuesday March 24th at St Catherine's in West Dundee. This is a nice opportunity to learn more about 4th degree related activities and interact with some of your peers from other councils in the area.

If you are interested in purchasing regalia, please contact the English Company, Inc or the Lynch&Kelly, Inc for further information on getting your regalia.

The next honor guard opportunities are Saturday March 14th at the St. Margaret Mary Shamrock Shave for the opening ceremonies, starting at 6:45 pm SUT 6:15 pm. There is also Confirmation at St. Margaret Mary on Saturday April 18th at 10:00 AM, SUT 9:30 AM. Please be on the lookout for emails regarding 4th degree

activities, if you do not receive this please let Mark Halper know.

And finally the next upcoming 4th degree exemplification is Saturday April 18th at the Glenview Wyndham Suites. If you are not yet a 4th degree member these are worthwhile opportunities, and if you are an existing 4th degree member these are great opportunities to refresh your memories on the lessons learned in that degree.

If interested in participating, the money and paperwork is needed before March 24th. If interested see Mark Halper for more details. There is no cost or reservation needed to simply observe the degree.

See website www.4thdegreeillinoisdistrict1.com for information about upcoming exemplifications, etc.

Pro-Life Activities (George Jost)

Last Month I wrote an article in which I discussed the various legal procedures that are followed to insure prisoners found guilty and sentenced to be executed, are prevented from suffering, while we can't prevent babies from being aborted while they probably feel pain. (Google - saline solution and dismemberment as abortion methods).

The Feb 26th, 2015 issue of the Wall Street Journal had a opinion piece on Terri Schiavo. In 1990 she suffered a Cardiac arrest and suffered brain damage. She was put on life support including a feeding tube. A feeding tube kept her alive for 15 years. In 2001, it was removed briefly, but reinserted after an appeal. If you remember, 10 years ago (2005), her case was finally adjudicated and her feeding and fluid tube was removed March 18th, and she died March 31. She was essentially starved and dehydrated to death over 13 days. (Imagine just totally fasting for more than a week! Usual time to death is 8 - 10 days without water and 3 weeks without food.) Pope John Paul II, President Bush, and Governor Jeb Bush all tried to intervene, to no avail. The US Senate gave unanimous consent to wanting the appeal sent to the Federal Courts (including Barack Obama, who later said his concurrence was a mistake), to no avail.

Pro Life doesn't just mean trying to prevent abortions, but also protecting all life from conception through natural death.

Prison Ministry needs Cookies

The 17th Kairos Retreat at Stateville Prison, Crest Hill, IL is scheduled for March 26th-29th. This retreat is an ecumenical version based on Catholic Cursillo. One thing we bring in as a symbol of God's love (Agape) is home made cookies. We never want these to run out and we are handing these out all weekend to inmates and guards. The team needs to have over 2000 dozen for the weekend to assure "God's love doesn't run out". As simple as this concept is, they really feel forgotten by society and hearing that people on the outside spend time praying and cooking for them is moving. Recipes will be available in the church office. We need the cookies by 3/20. Frozen is OK. I'll happily pick them up. Mt 25:36 If you are not a baker, there are many other ways to help. Please contact Tom Blake, Kairos Retreat Team Stateville #17, [847-658-0583](tel:847-658-0583).

It is estimated that over 32 million adults in the U.S. (one in 10 people) were raised Catholic and no longer identify themselves as members of the Church. Last year a survey conducted in the Springfield IL Diocese found that for Mass attending Catholics, parish community is the most important element of parish life. They concluded that if parishioners do not feel welcome, you can expect to have fewer parishioners soon.

So what can you do? Be aware of people you have not met and introduce yourself and your family and invite parishioners to join you at a KOC event!

Could there be a better place to feel welcome than the Knights of Columbus?

Each Fall and Spring our parish invites Catholics who have been away to attend our Catholics Returning Home sessions. Through this 6 week program we hope to help participants feel welcome in our parish and ease back into the Church updating their knowledge about Church teachings. The Spring sessions begin Tuesday April 14 at 7:30PM in the Ministry Center.

For more information pick up a brochure in the Church lobby, check our parish website or call brother knight Dave Philipps at 815-347-6093.

SMM School 2nd Annual Art Auction & Casino Night– Saturday, April 25th

Saturday, April 25th SMM casino & art auction night: The art auction will begin 5pm and the casino night will follow immediately afterwards around 7:15pm. We had a great time with lots of Poker and Blackjack tables, as well as two Craps tables and couple of roulette wheels. This is a cash event (following the Illinois Charitable Games Act). All proceeds will benefit the St. Margaret Mary School. As we did last year, we are looking for volunteers to help as dealers for the Blackjack and Poker tables. Please contact either Matt Harman at (847) 902-2604 or Andre Manaois at (847) 989-9849.
