From the Grand Knight's Desk:

One thing I enjoy about traveling is attending Mass at other parishes. The different people, Priests, customs, music all wrapped up in the familiarity of the Catholic Mass. This past weekend I attended Mass at Our Lady of Sorrows in Farmington, MI. As

luck would have it they have a Knight's council so I reached out to their membership director. He was very friendly and introduced me to other Knights and invited me to their council picnic. They are an active council but their concern is their membership is literally dying out and they were unsuccessful in recruiting new members even though the parish has many young families in the grade school.

Although we all share of the responsibility of recruiting we are blessed to have many younger Knights we can trust to keep our council vibrant for years to come. Speaking of our youth, I'm delighted to see how strong the faith is among so many of our younger parishioners. Namely Elizabeth Philipps, Connor Orabutt and those who submitted essays for the scholarship. It is obvious that the Holy Spirit is working through these young people. Please make sure you are encouraging these teens and others so they maintain their faith and use it to strengthen faith in others. As these youth and others start back to college they face many challenges and one of the biggest challenges is to their faith. It can be tough these days to be a Catholic. Our beliefs and views are not always popular in today's culture. People want to challenge our views on marriage, abortion, and other beliefs. It's easier to just hide our Faith so as not to be challenged. As tough as this is for adults, for a college kid this must be terrifying. I know how tough it was way back when I was in college, today it must be much more difficult. So reach out and encourage our youth and pray for them. Support them and programs

such as Focus and the Newman Center's so they can help college students keep their Faith.

Last month I proposed that our council look into an ultra sound machine and asked for your thoughts. No one reached out to me. I'm not sure if this is because no one read my article or if there is indeed no interest. Supreme continues to support this initiative and is well on the way to 1000 machines donated. Please reach out to me if this is an initiative you would like to be involved with.

Well so much for best laid plans. So much work, planning and prep went into founders and then mother nature threw a huge curveball. But not all is lost as we had a nice picnic at church and in September we will participate in the makeup event to support those affected by the flood. I also believe we are better prepared for future events. New fryers, a sink with hot water heater and all the equipment is clean and scrubbed.

Thanks to those who helped Aldo on August 5 get his property cleaned up. This is such an important part of being a Knight knowing we can rely on each other for help and support.

Big thanks to Mark Ostrowski and his grilling crew for taking on the school's family cook out. This is a great way for us reach out to all of the new school families and show them what we do and are all about. Hopefully we will get a couple of these families to join the council and run next year's event.

I believe there are a few spots left for the men's fall retreat. This is a wonderful event at an absolute beautiful location. There's so much to do and this is a great way to bond with your brothers and for some Knights to even get a great sleep on the kitchen table. Please see Stuart Kuczynski for Ken Prigge if interested.

I have spoken about how it's all of our responsibility to recruit and to make new members feel welcome in our council. But it is also our duty to advance to the 3rd Degree. A large percentage of our council have not advanced. Why haven't you? There are no additional dues, no more meetings to attend and you learn more about the Knights. Our council is hosting a major degree on October 19 at the school. Please invest the hour or so if it takes to become a full Knight. For more information please reach out to Mark Halper.

See you at Mass. God Bless.

Folks can't join the 4th degree without joining the first!
- Saturday October 21st – 4th degree exemplification at Brandywine in Dixon, IL. This is a great opportunity to join the patriotic degree of our order as well as refresh your memories on the lessons learned during this degree if you are already a 4th degree member. Please refer to the registration form in the

newsletter for further details. Monies and forms are due by the 9/26 meeting.

Please also be on the lookout for emails about upcoming activities, especially wakes as these typically do not have much advance lead time and is one of the highest honors we can provide to our fallen brothers and their families. Be sure to visit the Bishop O'Neill Assembly website www.kofc2381.org to check out upcoming activities, etc. In addition please be sure to visit the fourth degree Master's website www.4thdegreeillinoisdistrict1.com for information on upcoming exemplifications, etc. If you do not receive these emails please let Mark Halper know.

It is truly an honor to participate in 4th degree activities, perhaps the most visible degree of the order. Whether it be marching in a parade, participating in an honor guard for the Bishop, or serving as part of an honor guard at a fallen brother's wake is truly a humbling and honored experience. As a reminder there is NO EXPERIENCE NECESSARY to participate in these honor or color guards and there are NO LOCATION BOUNDARIES OR RESTRICTIONS to participate in these functions in the area. We know that not everyone has their own regalia, if you are looking to participate in an activity but don't have regalia reach out to a member who does. If you need a list of members who have regalia please contact Mark Halper.

A major change was announced by Supreme regarding the regalia of the 4th degree. New regalia is being initiated starting immediately. The old regalia can be used through September of 2018.

New Regalia uniforms are already available on-line. ***We are being provided with a 25% discount for those who order prior to September 30, 2017*** (end of this month). There is also a special \$200 refund for very recent 4th degree members. You may find more information and answers to your questions on-line at the Knights of Columbus webpage:

<http://www.kofc.org/en/news/releases/new-fourth-degree-uniform-faq.html>

One of the charms of the Fourth Degree lies in the fact that it is the uniformed degree of the order. It is the part of the order which is most visible to the

public. The winter uniform consists of black tuxedo, plain white shirt, black bow tie, black cummerbund, black shoes black socks and social baldric. The summer uniform is the same, except that a white dinner jacket is substituted for the black tuxedo jacket. (We don't do that) A regulation Fourth Degree lapel pin and a pocket name badge are optional and highly recommended. The jewel of current office, worn on the official ribbon around the neck is authorized, as are miniature medals of jewel of Knights of Columbus offices previously held, worn on the left breast tuxedo jacket pocket. The uniform is worn on public occasions, when the Fourth Degree participates as a group in a church ceremony; at wakes and funerals of members, and high church dignitaries; for memorial services; in civic or patriotic ceremonies of solemnity and dignity. It is also recommended to be worn for special K of C social occasions such as parties and balls.

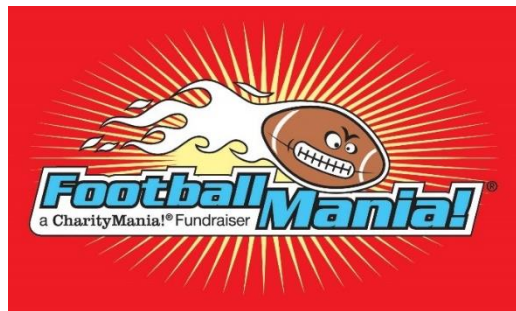

Now, however, the Knights will be leaving behind this uniform for a “modernized” version, a blue blazer with the Fourth Degree emblem and dark gray slacks, a blue Fourth Degree tie, and a beret.

A Bit of History on 4th Degree Regalia. The Honor Guard, first called for in 1886 was officially formed in 1902, for ceremonial purposes. Original uniforms were military in style (they actually mimicked military uniforms on purpose). Eventually this was changed to a civilian tuxedo. About the only thing to say about it is that it has evolved many times over the years. The uniform of the Fourth Degree has remained *relatively* the same since 1940 – a plumed chapeau which can be worn with plumes of different recognized colors, a tuxedo, a cape, and a ceremonial sword. However, Color Corps around the country initially had their own unique uniforms which included various chevrons on the chapeau and other medals and insignias on the capes, with variation of lining colors as well.

Initially, regalia was whatever Assemblies wanted and could afford, which made for some very elaborate regalia in affluent assemblies and plain regalia in others. The interesting note is that the same was true in the Philippines where there was use of either a white tuxedo jacket, black tuxedo jacket, and the traditional formal dress shirt (barong tagalog) commonly used in those hot climates. Colors of the various capes and chapeaux were eventually standardized to those used today.

This changes was initiated after three years of listening to the membership, discussion and testing. Supreme believes that this new uniform will help recruit more (and younger) 4th degree members into our Assembly. We do expect lots of discussion about this, but the only thing for certain is that change is coming!

Intellectual Disabilities (Tootsie Roll ID Drive)

Our annual Intellectual Disabilities Drive (Tootsie Roll ID Drive) is September 15, 16 and 17. We need your help for a shift or two. Over the last couple of years, the collections from the ID Drive have enabled us to donate over \$2000 to local charities for programs benefiting those with disabilities. Please mark your calendars and consider volunteering for a very worthy cause.

Sessions begin Tues Sep 26

Do you have a friend that has drifted away from the Church? Wouldn't it be great to have them be part of parish life with you and your family? Usually all it takes is to invite them. **Why not invite someone you know and consider coming with them to help them overcome their fears?**

Participants and friends are welcome to join us for any of the sessions. Catholics Returning Home is a great way for them to find the answers they are searching for and to experience the love and concern of our community.

God puts people in our lives for a reason. Look around you and pray for His help to share your Faith; your greatest gift.

Forward this link to someone you know and invite them home today!

Please consider joining several other Knights from our council in helping SS Peter and Paul Church in Cary which has been feeding and sheltering the homeless on Monday overnight every week, October through April. SS Peter and Paul is one of 8 churches involved, throughout McHenry County, that work with Pioneer/PADS as an outreach center. This ministry is a large endeavor with more than a hundred volunteers and they could use our help.

There are many shifts to fill for this seven-month season. Signing up is easy by using the web address

below where you will find an outline of what is involved in each shift.

Please prayerfully consider serving our county's poor.

Clay Pigeon Shoot A Blast!

On August 5th we had 23 shooters, including Brothers, friends and family; converge on the Coon Creek Hunt Club for the 9th Annual Clay Pigeon Shoot. This year saw six father-son/daughter combinations and a good number of beginners or those that have been away from the sport for a while. We were blessed with a cool, rain-free morning and the steady hands of our younger shooters. The surprise shooter of the day was our own SK Bernie Paniak, who was cool as a cucumber and proceeded to bust clay after clay! Nice job Bernie!

As we do every year, the safety portion of the class is done first, and then the “old hands” jump right into either the sporting clays or the trap course. The Club provided three instructors, with the senior instructor spending almost two hours with the newest shooters to make sure they were comfortable, safe and successfully breaking some clays.

With all three stations moving, there wasn't much standing around, and the steel shot was humming around the clay pigeons as each shooter pitted their skill against the unpredictable targets. The trap

course proved to be the most difficult, with the “bunny” getting the most accolades for excitement. The Knights supplied the pop and water from inventory, and Kevin O’Callaghan grilled up burgers for all to enjoy. This event (as always) is a zero-cost event to the Council as each Brother pays for what they shoot.

We finished in time for lunch and most of the shooters went home satisfied by 12:30 pm. My thanks to everyone that helped out, and I look forward to setting it up again next year.

Algonquin Founders Days Presents: River Relief Benefit

Founders' Days 2017 is going to happen! Rescheduled for September 8 - 10. It's going to be held on Harrison street, between Port Ed's and Buena Vista. Although the fest will be pared back, it will still have many of the same activities and events we cherish from the great bands, old time community gathering to the great Knights food. Check out the band line up and other details at <http://algonquinfoundersdays.com/>.

We need a couple things to make this success for the Founders Day, the relief benefit and the Knights charitable causes we support. First; please help get the word out to everyone, next pray for great fest weather, then plan on bringing your family in friends, and finally - sign-up to work a shift or two or the whole weekend at the Knights food booth. We'll be serving our traditional Knights items and including a few new items, check out the below menu. Set-up starts Thursday night (Sept 7th) with the raising of our Knights tent. We need 8 Knights to make quick work of this prior to the Knights General meeting, starting at 6 PM at McGivney. Then Friday morning the real fun begins at 8 AM at McGivney. We have a limited window to setup everything in time for the fest doors open on Friday at 4 PM. Help is needed ALL DAY long and then again on Saturday and Sunday. They'll be very long days, but with enough volunteers it'll make it light work for all. Check out the below hours and please consider volunteering.
